## Woodworking

### WOOD CHISELS & PLANES

We normally grind double bevels to the following the suggested angles by Sorby who are chisel makers

Softwood 1<sup>st</sup> @ 20° cutting edge & Hone 25°

H& 2nd & hone to 30° or to your specific angles if you advise your preferences.

Wood Chisel under 1"	£4.00
Repair	+ £2.00
Wood Chisel 1"	£5.00
Repair	+£2.50
Wood Chisel 1¼ & 1½	£6.00
Repair	+£3.50
Wood Chisel 1¾	£7.00
Repair	+£4.00
Wood Chisel 2"	£8.00
Repair	+£4.50

Block Plane Iron up to 1.5"	£6.00
Block Plane Iron 1.5" to 2"	£7.00

Spokeshaves demountable blade	£7.00
Spokeshaves vintage style blade	£8.00

Profile (flat) Insert Planer Blades, Shaper Blades, Jointer Blades

£9.00 per pair plus £0.65p per 25mm to sharpen or if damaged £0.77p per 25mm

Note original angle followed on regrind, 13mm wide minimum blade, disposable blades are usually 3mm thick, these are matched ground sizes including damaged to make 2 identical cutters this for balance & ease of set up

Moulding Knife Blades	£8.00
-----------------------	-------

## WoodTurning

Fingernail Bowl Gouge	£3.50	45°
Standard Profile Spindle Gouge	£3.50	45°
Roughing Gouge	£3.50	45°
Parting Tool	£ 4.50	20° x 20°
Skew Chisel	£5.00	15° x 15° x 60°
Scraper	£3.50	80°

The above are Sorby standard angles - if you require something different just ask.

## Metal Working

### **TWIST DRILLS**

4 Facet finish standard angles and wide 90°-150° to suit your materials  
Carbon or HSS.

>5-6mm	£2.00
>6.5-13mm	£3.00
>13.5-22mm	£4.00

Damaged drills can be rescued for little cost

4 facet is a perfect point rather than the typical 2 facets this eliminates oval holes and drill wander on hole start. True clearance angle is generated to match the point angle chosen

These are wet ground, with a jig, no loss of hardness or temper

### **TIN SNIPS**

**£4.00**

Hand lever shear / Guillotine
